# FOREWORD

MENDOTA HIGH SCHOOL.—A place for good times and some that are not so good, for study and play, a place for meeting new friends and also for getting lost in the crowd when you're a bewildered freshman. Gradually amid this maze of hustle, bustle and classrooms, emerge many individuals . . . people who make themselves known and whose names become familiar. The reason? The reason lies in the simple realm of participation. Leadership at MHS is developed through student interest and participation in both curricular and extra-curricular activities. The concern of these activities is to bring out the character and personality of the student and to make him into an individual who realizes his duties to his parents, teachers, fellow students, and the world into which he will soon emerge. By being active Trojans here at MHS we become ready to sojourn in the outer world to take our places as members of our free society. With gratitude for the opportunities that have been afforded us, and the guidance that we have received in our years at MHS, we, the Class of 1964, challenge the future classes of Mendota High School to live the motto: Trojans Today, Leaders Tomorrow.

FOUR SENIOR "Trojans of Today", Carol Foster, Tim Thompson, Sue Gehant, and Charlie Carter, leave MHS prepared to become the "Leaders of Tomorrow."

*The blazing flame,*

*the joyous cries*

*of hopeful victory,*

RUNE GUSTAVEN, the AFS student representing Norway, spent this year at MHS. In his few leisure moments Rune spent much time telling students of his home land, Norway.

THE NATIONAL Merit Scholarship Fund sends out Letters of Commendation. This year four Senior girls received this honor. They were: Marilyn Klinefelter, Carole Radtke, Bonnie Kassler, and Alice Beatz.

*Morrow's leaders*  
*will be well known*

SU SLICK and Milton Olson were the winners of the Scholastic Art Awards in competition that was held at Ottawa, in February of this year.

THESE MEMBERS of Algebra II and Math IV classes composed the winning teams at the Math Tournament held at Amboy. They are from left to right in back row: D. Ulch, R. Fischer, P. Wagner, P. Marmion, D. Heiman, K. Becker, D. Faulk; in the front row: A. Tolon, W. Lindenmier, J. Baker.

THE LATIN CONTEST highlighted awards for Jim Morris, Don Knuckey, and John Munson. Jim received a Superior rating in District and Sectional competition, and went to State to compete May 3. Don received a Superior rating at District and an Excellent at Sectional. John received an Excellent at the District.

JOHN KOSTOUREOS and Carole Radtke were chosen by their fellow seniors and the faculty to be the recipients of the SAR and DAR awards.

**THE BEETLES**—Mendota's answer to the popular Beatles as they appeared at the Kanteen Anniversary Party, are from left to right: Chris Goebel, Clayton Deener, Dave Ulich and Wayne Wheeler. This popular group appeared at many places throughout the year.

**RUNE GUSTAVSEN** and **Cathy Harris** had the lead roles in the Contest Play under the direction of Mr. Steve Warren. Both of these fine actors received medals at the Conference performance, and were placed on the All-Star Cast.

## *The* **MHS SCHOOL BOARD** *acts*

*in behalf of the community.*

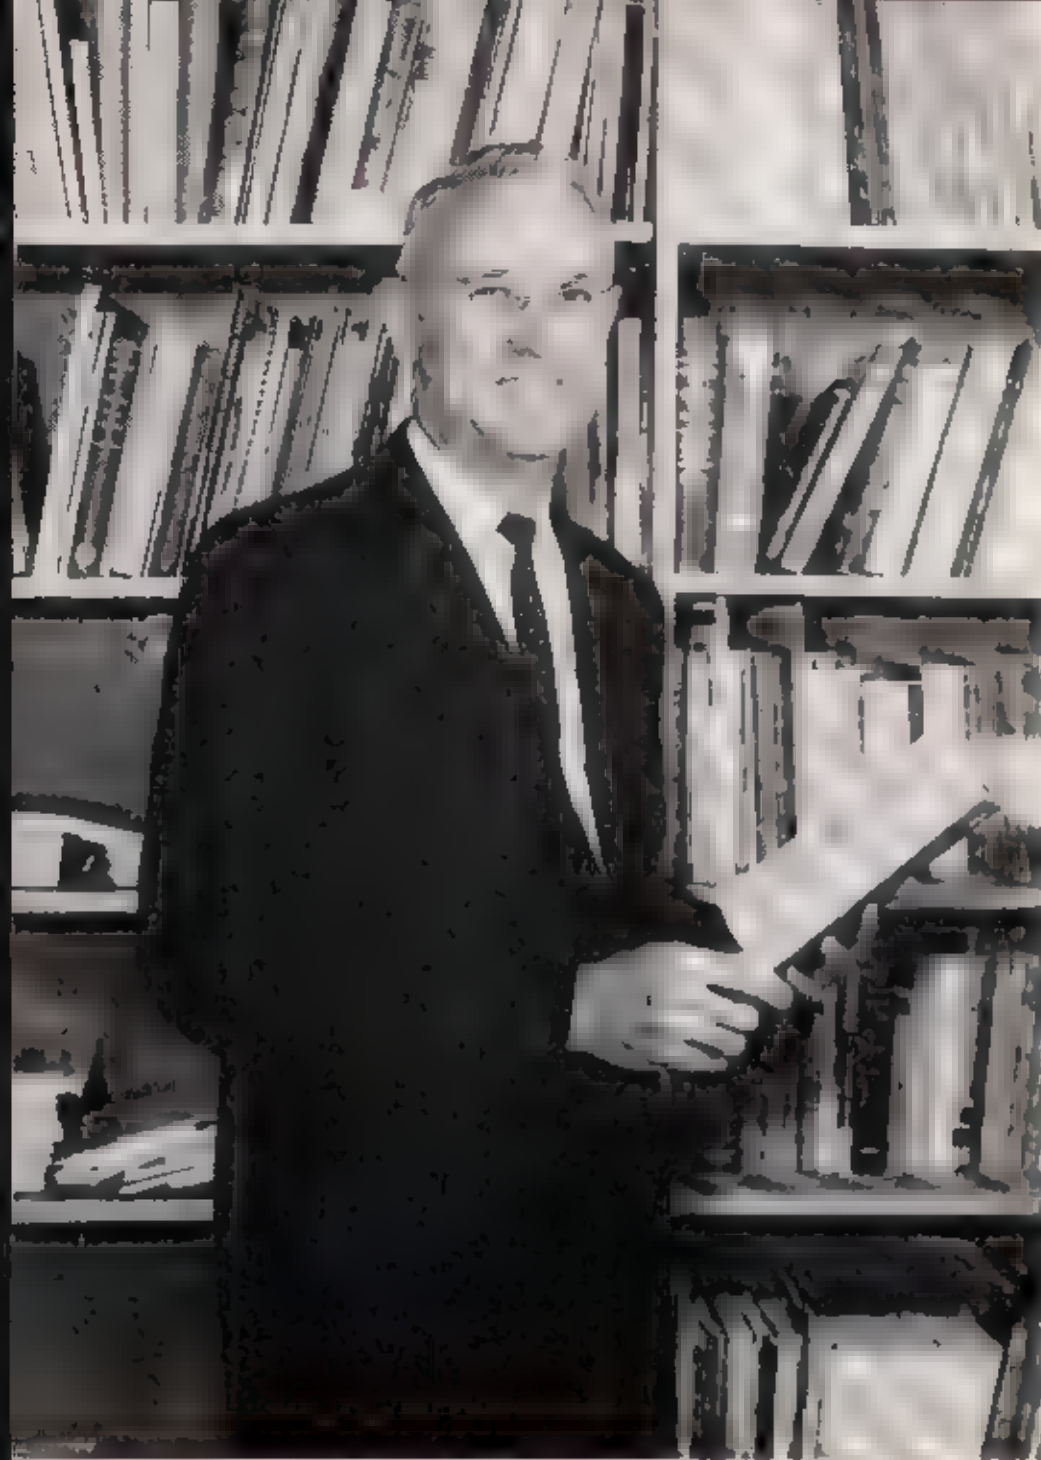

SINCE THE SCHOOLS in this county, as in all other counties, are supported by taxes, it is only reasonable that taxpayers should have a voice in the governing of the schools. This is the purpose of the school board. The board acts as a supervisor in school affairs and decides how tax money can best be spent to benefit the school. It is to these men we owe our education.

MR. HEUBNER, MHS business manager, is in his second year at MHS. He received a B.S. and M.S. in education at Western Illinois University. Mr. Heubner purchases supplies, files all reports, and is responsible for the maintenance of the school plant. This year he was especially busy, for he had to make arrangements for the regional basketball tournament.

TULLY HEUBNER, MHS Secretary-Business Manager.

J. W. PRICE, School Superintendent and MHS Principal.

## OUR PRINCIPAL

MR. PRICE is continually interested in the improvement of our school and not only is principal of MHS, but also is superintendent of the Mendota elementary schools. He makes a continuous effort of keeping up with new educational methods and generally improving the standings of our school. Mr. Price serves as a liaison between the school boards and the schools, and personally advises the boards on hiring new teachers. Mr. Price received his B.S. degree at the University of Illinois and his M.A. at the same school. Due to his outstanding ability to supervise, he is indeed a tribute to Mendota's fine school system.

## *Nine years of excellent leadership at MHS*

### *Secretaries*

THE MHS BUSINESS office, which handles school financial matters, is efficiently run by Mrs. Canepa, Mr. Price's personal secretary, and Mrs. Bader, Mr. Heubner's secretary. Mrs. Canepa is well known about MHS by voice, well as face, for it is her voice that is heard every day over the P.A. system. Mrs. Bader is our official bookkeeper. She writes checks and handles all financial records and statements.

BUSINESS OFFICE SECRETARIES—Mrs. Mildred Canepa, and Mrs. Lucille Bader.

ABOVE: MR. DOENIER looks to the future of MHS as Assistant Principal.

## ASSISTANT PRINCIPAL

MR. DOENIER is genuinely concerned with the prosperity and well-being of all MHS students. He is always willing to talk with any student having a problem.

Mr. Doenier received his B.A. degree at North Central College in Naperville, and his M.A. at the University of Wisconsin.

Besides counseling students about any academic problems they may have, he schedules all activities and handles any disciplinary problems that may occur. Mr. Doenier is truly a credit to MHS.

*They work together to help MHS students.*

Mrs. Radefeld is probably the best known of the secretaries, for besides being Mr. Doenier's private secretary she is in charge of the Student Affairs Office. Selling MHS game tickets is just one of her jobs, and she can be seen at almost any time traversing the building on office business.

MRS. BETTY RADEFELD, Student Affairs Office Secretary.

Counselors shown left to right are Miss Payne, Mr. Doerner and Mr. Morgan.

## *The* **COUNSELING STAFF** *is vital to MHS students.*

THE MAIN CONSIDERATION of the members of the Counseling Staff is the academic and social adjustment of MHS students. They supervise all phases of the high school testing program, help and advise students in planning their courses of study, and counsel them on personal as well as academic problems.

College-bound students, too, receive special aid and information which will help them in applying for scholarships and selecting their school of higher learning.

The counselors perform a service vital to all MHS students, and we, as seniors, would like to express our deepest appreciation to them.

MR. KIM, a Korean English teacher, came to MHS on a Cultural Exchange Program similar to the AFS. Mr. Kim spent several weeks at the University of Texas before spending two weeks at MHS. He is shown here on the right of Mr. Quayle, speaking to an English class. While at MHS he told students of his native country.

## Three do student teaching at MHS.

MHS students were acquainted with three student teachers during the second semester. The student teachers assisted the regular teachers in class discussions as well as reading the class individually. Miss Mary Goodrich assisted Mr. Mueller in English III and IV. She came here from Illinois State University. Mrs. Lois Munson, from Northern Illinois University, assisted Miss Strouss in English I and II. Miss Judy Mulcahey assisted Mr. Smith and Mr. Snuffin in the Math department. These three teachers were all working toward teaching degrees and were participating in a program designed to prepare them in their field.

## *Classroom Candida*

Tim Thompson and Paul Wagner constructed this Globe Theater for the use of the English classes studying Shakespeare. At left, Tim is showing Mr. Mueller, the instructor, details of the theater.

English II students here are listening intently to Mrs. Snuffin's lecture on a phase of American literature.

Shakespeare's Julius Caesar is the topic being studied in Miss Strouss's English II Class and Roger Truckenbrod is eager to contribute to the discussion.

Latin is a part of the foreign language program and here, Roger Truckenbrod and Mary West discuss how Latin is used in modern advertising.

Along with the Latin department is French, and here Jack Flaherty discusses the flag of France with Fred Davis and Barb Carlson.

The Speech department provides many activities including contests and tournaments. Coni Phalen was caught in the middle of speech given before the class.

The Civics and Econ. classes found a new way to pass their time during the past year. Panels were chosen to discuss the economy and governments of foreign countries. These worked very effectively.

## Classroom Candida

U.S. HISTORY is required for all Juniors. In this picture Mr. Mariens is lecturing on the early history of the United States.

ART CLASSES are designed to create new interests for the students and to develop talents and skills. Sandy Werner is showing Sue Kuntz how pottery is made.

JUDY BAKER finds that Bookkeeping is not as easy as some would like to think. Concentration is needed here!

SANDY BAILE has just learned how to type and realizes that having taken typing it will be a big help in years to come.

HOME ECONOMICS students in the picture at left, above, show what can be done in the kitchen. We had C. Garrison, Rita Weber, Carol Weiss putting the finishing touches on their freshly baked hot breads and rolls. In the second picture, sewing is being done by other Home Economics students. Patty Cain and Cheryl Althaus are working on their projects, while Nancy Kratz and another student are also finishing theirs.

P.E. IS A PART of the MHS curriculum, both for boys and girls. On the girls' side of the gym Kandy Dana just made the shot. On the boys' side, weights are being lifted by John Mammel, Ron Carr and Rich Jackson.

IN MR. SMITH'S Geometry class, students Jane Mauch, Harvey Doenier, and Dennis Pohl learn to visualize the various geometric constructions.

CHEMISTRY II is an advanced course in chemistry. Much lab work is done throughout the year. Here Dick Setchele, Phil Wood, Alan Steele, and Mike Marmion are seen doing one of their more complicated experiments.

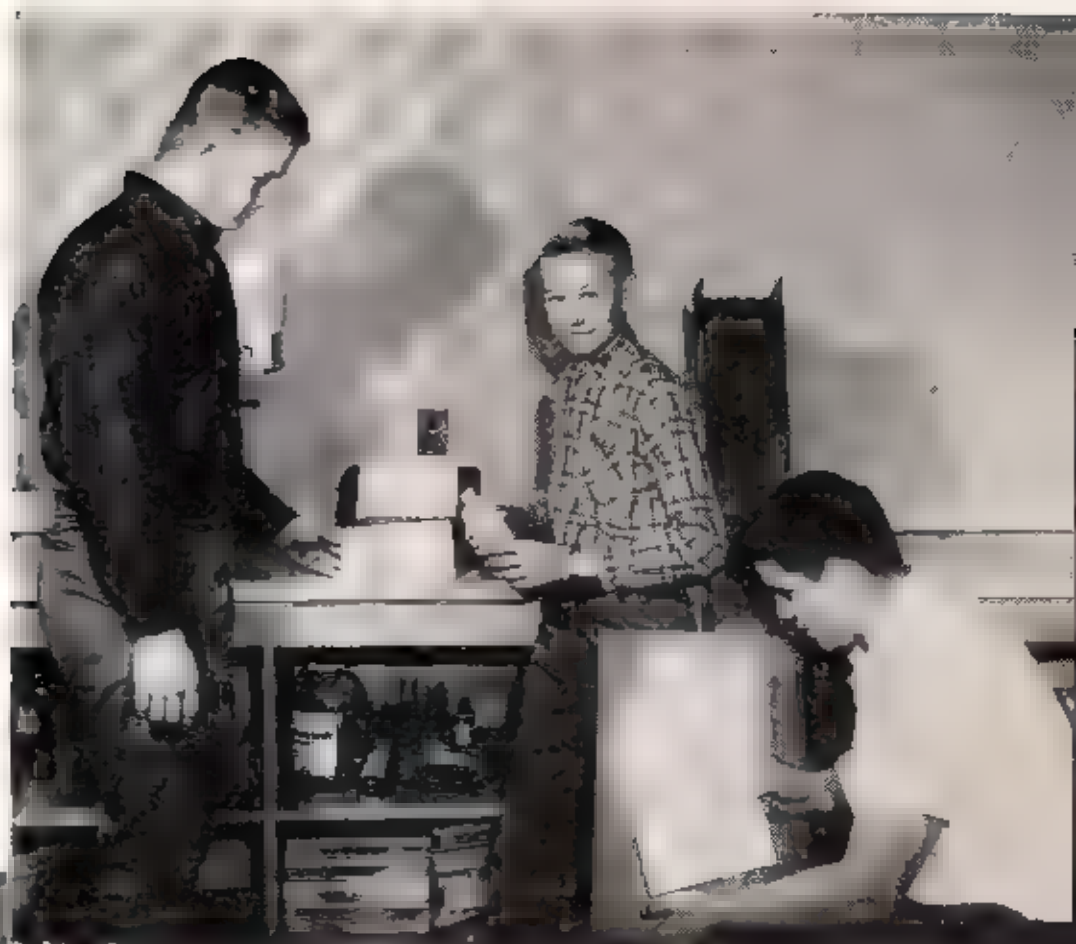

IN MATH IV, students are taught advanced mathematics including trigonometry and calculus. In the picture at the top, above, Mr. Stauffin, the instructor, is explaining to his class.

BIOLOGY is a class designed to teach the students the study of plants and animals. Mrs. Sisler is explaining to Mary Gates and Jerry Baker the use of the microscope in this study.

Soils are an important part in the study of Agriculture. Here three students from the Ag II class study soil samples and a soil profile which is similar to that used at land judging contests.

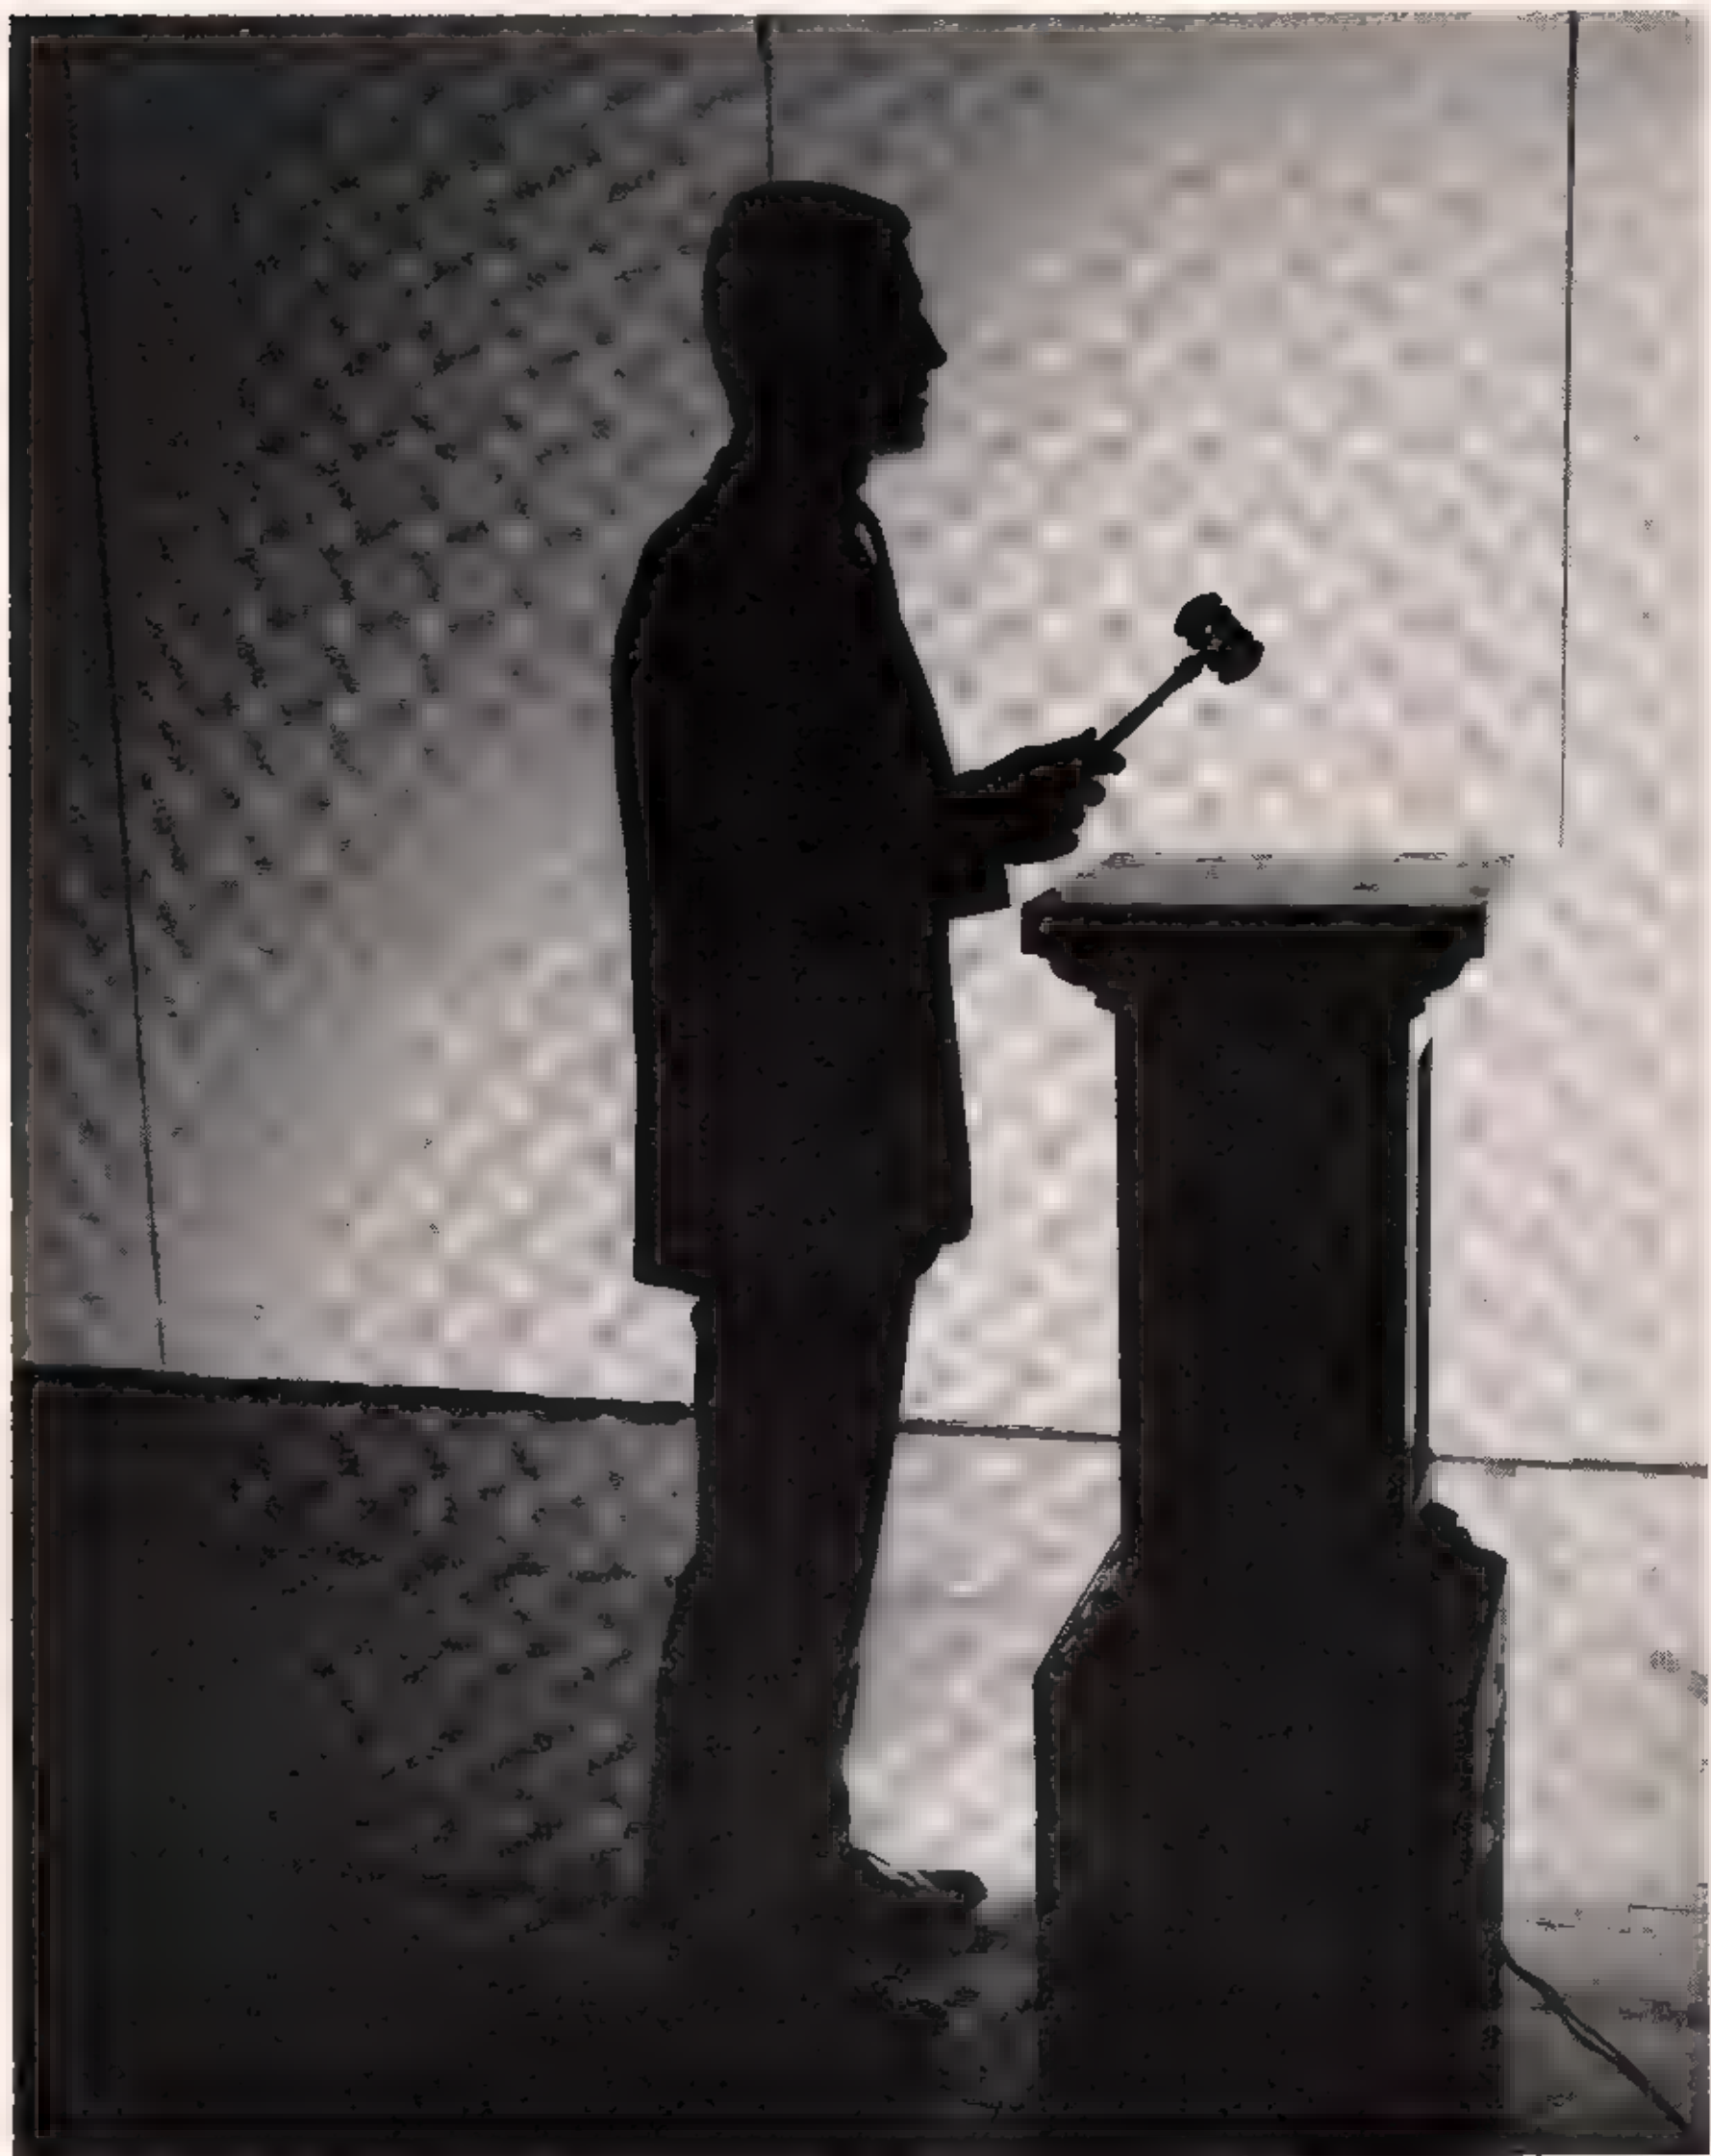

Many boys are aided in the selecting of their vocations through the Industrial Arts courses. Mr. Lewis is shown assisting Dan Druen at a printing press.

All students who are 16 years of age are taught the correct ways of safe driving in the Driver Training classroom. After the fundamentals are learned, the students then progress to the cars where they can put their class learning into use.

*Students, by leading, prepare for the future years.*

FRESHMAN CLASS OFFICERS

James Avery, vice-president, Joseph Donahue, president, John Munson, secretary-treasurer

THE TWO HUNDRED Freshmen who represented the class on opening day in the fall found the vast halls of MHS outstretched before them. This class, the largest in the history of the school, found confusion in the locker systems, in the crowded hallways, and in finding many classrooms. With much patient guidance, they soon settled down and accepted their role as underclassmen.

They elected the following class officers to lead them through their first year in high school: Joe Donahue, Jim Avery, and John Munson. The Freshmen constructed a float and chose Debby Carr and Joe Donahue to represent them in the Homecoming court. The Freshmen started to boost their treasury skyward by leading the school in magazine sales.

Susan Radtke, secretary-treasurer, John Beetz, president, Martha Beetz, vice-president.

THE SOPHOMORE Class elected John Beetz, Martha Beetz, and Susan Radtke to fulfill the duties as class officers during the year. The most exciting part of their Sophomore year was receiving their long-awaited class rings. The Ring Committee was comprised of the following Sophomores: Dennis Montavon, Roger Carr, Sheila Schmidt, Ken Leiser, Jerry Northcutt, Arlene Faulk, Harvey Doenier, and Jackie Jacobs.

The Sophomore Class constructed a prize winning float and was represented by Jackie Jacobs and Robert Krenz in the Homecoming court.

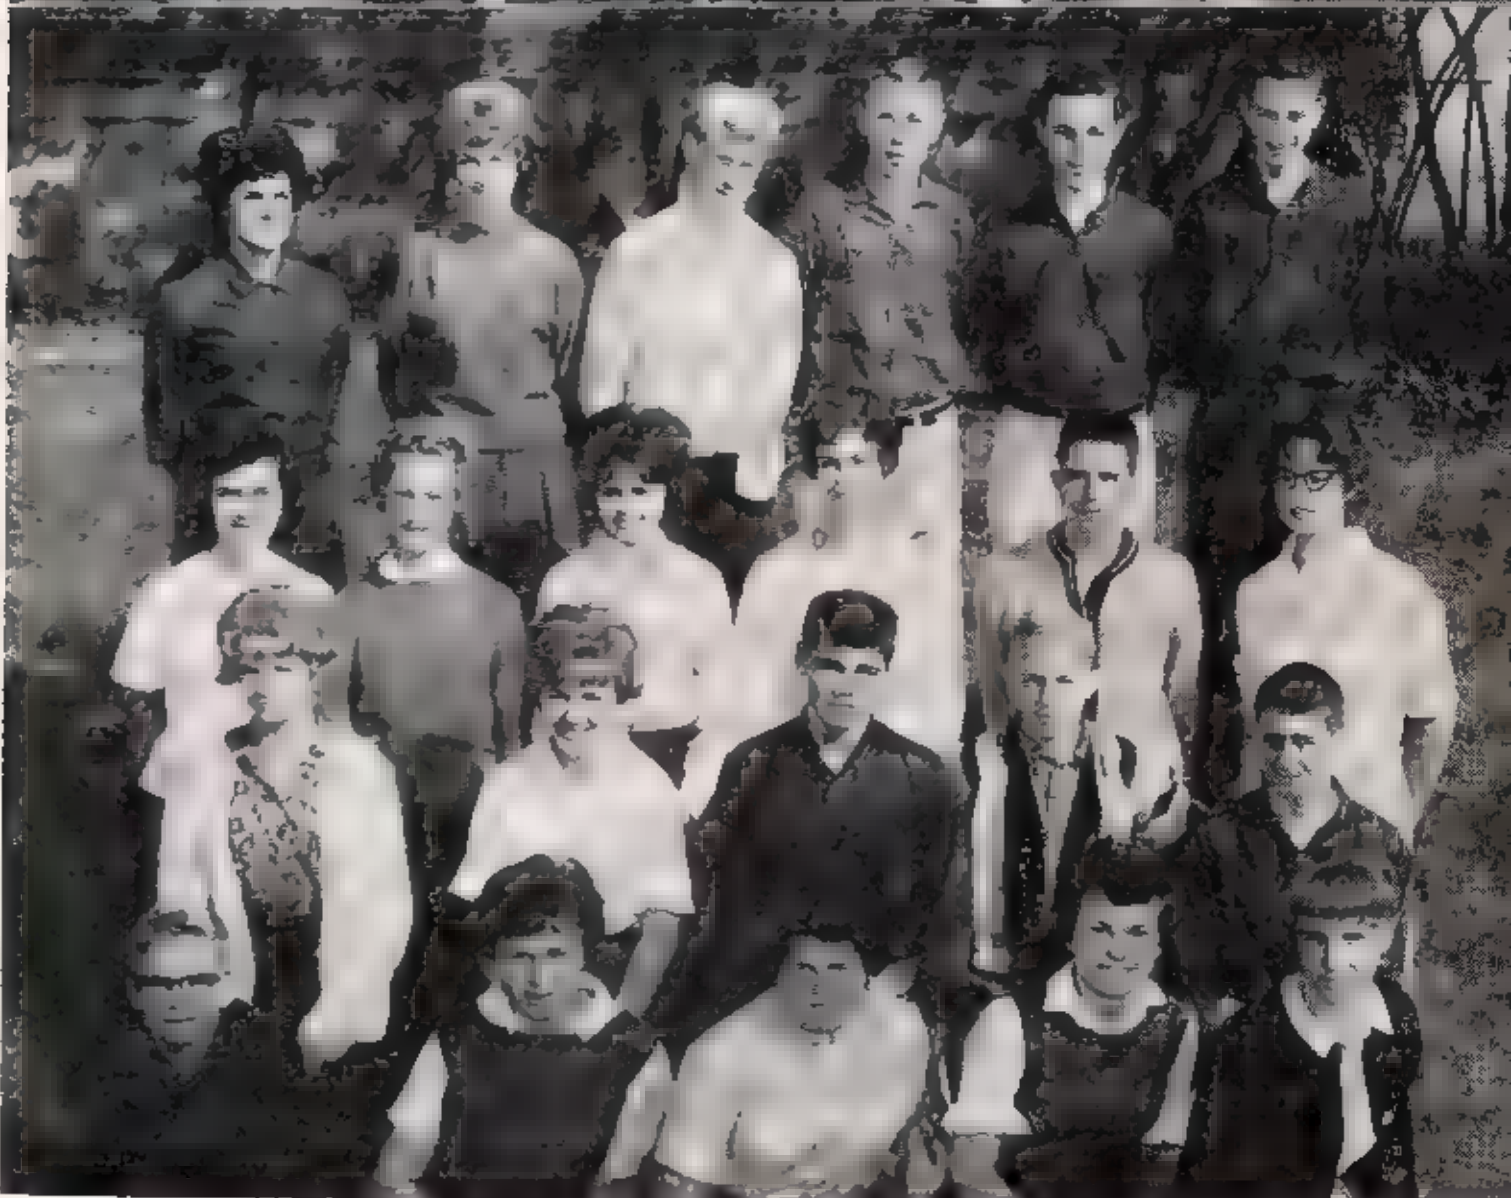

The class of '66 enlarged their treasury by sponsoring two record dances after games, by starting a paperback book store, and by having a car wash the day of the Prom. The Sophomores proved eager to increase their funds in preparation for their Junior year.

THE JUNIOR CLASS voted for Bill Politsch, Frank Fouts, and Kathy Jacob as the class officers. They elected Jean Ann Bunton and Ernie Wilhelm to represent their class as attendants for the Homecoming court. The Juniors worked tirelessly to present the play "The Mouse That Roared" and to produce the Prom, choosing the theme "Magnolia Mist".

The class raised a substantial amount of money for this, their biggest event, by working in the concession stand during the Regional basketball tournament that was held in Mendota. To add to their treasury they worked at a concession stand during one football game and held a coat-check during the regional. The Juniors sponsored the Christmas dance which was titled "Santa's Ball". In preparing for the Prom and many other activities, the class of '65 completed a very busy year.

# SENIOR HISTORY

AS OUR final year at MHS nears graduation, we, as Seniors, begin to realize that we have been engaged in student life here for nearly four years. For some these last four years have left a lasting impression, for others many events of the past four years are just vague memories. But for the benefit of all, let's go back into time and look at our last four years. Our first memorable event in MHS was our freshman orientation day—this day dedicated solely to us in which Student Council members showed us the enormous building and answered our bewildered questions.

Next came the first day of school in which many of us arrived to class late with a "when will I ever learn" feeling. After school had been in full swing for a few weeks, student life became more routine. We, as "green" Freshmen, grouped forces and held our first class election. The results were: Chris Goebel, President; Carol Donohue, Vice-President; and Carole Radtke, Secretary-Treasurer. Elected to represent our class in Student Council were: Dave Ultch, Kay Althaus, Paul Wagner, and Kathy Goebel.

School went on as usual, and then Homecoming arrived in October. We grouped our forces once more and constructed our first Homecoming float only to have our hopes dampened by rain. As representatives for the Homecoming court, we chose Phil Wood and Cheri Garrison.

Through the guidance and co-operation received by our Freshman advisers: Mr. Redman, chairman, Mr. John Richardson, Mr. Lewis, Mrs. Bender, Mr. Morris, Miss Strauss, Mr. Morgan, and Miss Horsky, we were able to swell our treasury by being highest in magazine sales.

Summer vacation came and passed, and once again we entered the "hallowed halls" of MHS. We had shed our old titles "green Freshmen" during the summer and received the new title of "wise fool"—Greek derivation for Sophomores. One of the most exciting events of our Sophomore year was planning, ordering, and receiving our Class Rings. Those serving on our ring committee were: Kay Althaus, Linda Bunton, Cheryl Knopp, Dennis Pohl, and the class officers. Our class officers were: Barb Carlson, President, Jim Musick, Vice-President, and Alice Beetz, Secretary-Treasurer.

While awaiting the arrival of our "Trojan trademarks," our festive Homecoming arrived. Once again our sophomore class banded together to build our float and chose Linda Bunton and Steve Dancey for our attendants in the court.

Student Council representatives were: Kay Althaus, Kathy Goebel, Kristy Miller, Linda Bunton, and Don Baker. In an effort to raise money to finance the Prom our junior year, we held a very fruitful Christmas Dance entitled "Winter Wonderland." The successes of our sophomore year were made possible by the aid of our sophomore advisers: Miss Horsky, Mrs. Bender, Mr. Smith, Mr. Lewis, Mr. Morris, Miss Strauss, Mr. Morgan, and Mr. Douglas.

Summer recess arrives and passes once again and we, now called upperclassmen, entered MHS as Juniors. Our junior year was an active one from the first bell in the fall of '62 to the last bell in the spring of '63. From the very beginning we were engaged in fund raising activities such as working at football games, making magazine sales, and sponsoring dances in order to fatten our treasury for the Prom. When Homecoming arrived we proved we deserved the right to be called upperclassmen by constructing a first-place float called "We'll Stomp 'Em." We chose Sandy Kettleborough and Rick Bohn to represent us in the Court.

The time seemed to fly so fast our junior year that before we knew it, we were in the act of producing our junior class play. After weeks of rehearsing and nursing a part, we were finally able to present to the public "The Many Loves of Dobie Gillis." Dobie Gillis' not so secret ambition to be about 6 feet tall and to date a glamorous doll involved him and his teenage friends in more complicated trouble than any teenager should have to face, but Dobie (played by John Kostouros), Bonnie Willet (played by Barb Carlson), Helen Dixon (played by Jeri Johns), and Limbo Lamb (played by Alice Beetz) managed a satisfactory solution, and, best of all, made Mr. Gillis (played by Ron Wentz) proud of Dobie. Because of the excellent directing by Mr. Stephen Warren and the fine work contributed by our junior class members, the impression of the viewing-public was that our play was one of the best junior plays ever presented.

After the play, we as juniors received no rest. For then began the planning of the biggest event of our junior year, our Prom. Through the guidance of our class officers and steering committee, we chose "The Enchanted Sea" as our theme. All will recall the beauty of the undersea world as the blue sea swayed restlessly above us. After the prom, the Elks-Lions Post Prom, and the Sunday picnics, all went home with physically exhausted bodies but everlasting memories.

Our junior year was surely one to remember and much of its success could be contributed to the able class officers: Alice Beetz, President; Rich Weitzel, Vice-President; and Kay Price, Secretary-Treasurer; and the steering committee: John Kostouros, Dennis Pohl, Charlie Carter, Marc Beardsley,

Dave Ultch, Bonnie Sheridan, and Cathy Harris. Our Student Council members played an active part in school affairs, planning Homecoming and other social events. Our junior representatives were: Kathy Goebel, Don Baker, Linda Buntan, Jim Musick, Alice Beetz, Kay Althaus, and Paul Wagner. Credit should also be given to our sponsors: Mr. Baile, co-chairman, Mr. Bloomstrand, co-chairman, Mr. Waity, Mr. Lewis, Mr. Rebuck, Mr. Wedemeyer, Mr. Jordal, Mr. Gorecki, Mrs. Lipke, Miss Strauss, and Mr. Morris for their fine assists in all affairs.

Summer vacation came and passed for some much too quickly, and for others too slowly. This time we entered MHS for our last year and could now assume the title of Seniors. We began the year under the leadership of the Big-4—John Kostouras, President, Charles Carter, Vice-President, Paul Wagner, Secretary-Treasurer, and Don Baker, Student Council President. We once again were in swing of the school routine; however, this time it was easier to adjust, and our attitudes were a bit nonchalant—after all, now we're Seniors! While working hard at all football concession stands, our steering committee (Carole Radtke, Carol Donohue, Alice Beetz, Mary Lou Klinefelter, Dick Setchell, Chris Goebel, Fred Wagner) and the class officers found time to make plans for our last Homecoming float, called "Spin a Win" which received second place in the judging. As for the Court, our senior class was given the privilege of presenting the queen, Linda Buntan, and the King, Don Baker, plus four attendants: Cheryl Knopp, Cheri Garrison, Rune Gustavsen, and Charles Carter.

Hardly had the excitement of Homecoming died down before once again we found ourselves in preparation of the senior class play, "I Remember Mama." As the cast was selected, Mama (Cathy Harris), Papa (Rune Gustavsen), and their four children had their lives relived through the narrative play told in many places by Carole Radtke who played the role of Katrin.

Never to be forgotten was the wonderful job our Student Council did with such activities as: Homecoming, Bus chaperones for out-of-town games, and the arranging of assemblies, plus many more school functions. Since the senior class had the largest number of members, much planning fell on the shoulders of Don Baker, Linda Buntan, Jim Musick, Kathy Goebel, John Kostouras, Fred Wagner, Tom Guilfoyle, Cheri Garrison, and Rune Gustavsen.

We as seniors found ourselves and Miss Breese working many long hours on our annual, the Atodnem. We even wondered if it would ever be finished. And now as Seniors we would like to thank our Advisers: Miss Payne, Miss Breese, Mr. Hill, Mr. Schroeder, Mrs. Gehler, Mrs. Doenier, and Mr. Murdock, for all the help that was given to us in our final year at MHS—especially during the regional basketball games and for the senior parties that were arranged for us. We as Seniors will never forget our Foreign Exchange student from Oslo, Norway, Rune Gustavsen, for all the things he did for our class. And now to you, MHS; we are leaving, but our memories of you will linger and stay with us always.

#### REMEMBER

Remember me when I am gone away,  
Gone far away into the silent land;  
When you can no more hold me by the hand,  
Nor I half turn to go, yet turning stay.  
Remember me when no more, day by day,  
You tell me of our future that you planned:  
Only remember me; you understand  
It will be late to counsel then or pray.  
Yet if you should forget me for a while  
And afterwards remember, do not grieve:  
For if the darkness and corruption leave  
A vestige of the thoughts that once I had,  
Better by far you should forget and smile  
Than that you should remember and be sad.

## STUDENT COUNCIL *members display qualities*

DECORATING THE HALLS FOR CHRISTMAS—D. Hinkle, L. Bunton, C. Whitaker, J. Bestz.

THE MENDOTA HIGH SCHOOL student body elects members of each class to represent them. These elected representatives, the foreign exchange student, and the four class presidents, who are non-voting ex officio members, form the Student Council. The Council is distinguished from other student organizations because it alone represents the whole school, and its actions affect each student.

The Council meets for an hour every other Tuesday to discuss school problems and projects. A general meeting often breaks up into committees discussions. The Council is divided into three committees, all of which are very active, especially around Homecoming time.

This year's Homecoming theme was "Autumn Leaves," car-

ried out in the decorations for the dance and even in the lovely fall weather. The Social Committee was in charge of planning the dance, the decorations, and the crowning of the king and queen at the dance. All council members helped to decorate the gym. The decorations were in fall colors and featured a large mural and a leaf-shaped band shell. The Ways and Means Committee took orders for Homecoming mums, and distributed them the day of the dance. The Student Problems Committee planned the parade, the pep session after the parade, and the presentation of the court at the half-time of the game. To the Council, Homecoming represents the enjoyment provided by good planning and hard work.

The Student Council undertook a number of projects other than Homecoming. It did several things for the convenience and enjoyment of the student body. The Council sponsored a Dress-up Day on the day before Christmas vacation, and this was followed up by spring Bermuda Day. A new record player was purchased, to be used by all organizations giving cafeteria record dances. The sponsoring of buses to out-of-town games and the maintenance of a coat check at all home basketball games were two major Council duties. The Student Council represented the student body in serving the community. It collected for the TB fund and the March of Dimes, and also sent Christmas gifts to needy children. The Student Council serves its school and its community.

# ATODNEM STAFFS

THE ATODNEM, which is the name given to the yearbook of Mendota High School, requires much time and work on the part of seniors, faculty, and the entire student body. Starting with the freshman year and progressing to the senior year, each class must work and save in order to bring forth their yearbook.

As the senior class of 1964 looks back, they remember the hard work that was done on concession stand nights, the selling of class play tickets, the sponsoring of dances, and the car-washes, all of which were necessary to finance the yearbook. Jim Musick, Ron Fischer, Jim Sams, Rich Weitzel, Milton Olson and John Kostouros will never forget ordering supplies and filling of the concession stand coolers before games. Without the help of all seniors the money-making project would not have been successful.

As the Atodnem Staffs are organized, with each student serving on the staff of his choice, the work beings. Miss Breese, the Adviser, shows these students how to lay out the yearbook in the proper way and advises us that everyone must work hard in order to produce the final plan. This year the various editors were: Carol Foster, Editor-in-Chief; Nancy Eich and Elaine Vergin, Co-Editors of the Homeroom division; Richard Weitzel, Faculty Editor; Ruth Kazlowski, Activities Editor; and Jim Musick, Sports Editor. These editors were responsible for scheduling and supervising the taking of all pictures as well as overseeing all phases of the actual production of the book.

The Senior Class would like here to publicly thank Miss Breese for all the help and guidance that was needed in order to publish our yearbook.

## THE NATIONAL HONOR SOCIETY *promotes*

THE PURPOSE of the local chapter of the National Honor Society is to achieve four ideals: to encourage the development of character, to create enthusiasm for scholarship, to promote worthy leadership, and to stimulate desire to render services.

Sophomores are elected to probationary membership if they have maintained a "B" average. They must be voted upon by the faculty on the basis of their living up to the ideals of the Society. Students may be elected into full membership in their junior or senior year providing the grade average is maintained.

Holding office this year were President, David Ulitch; Vice-President, James Musick, and Secretary-Treasurer, Carole Radtke. Miss Strauss was the sponsor of this group.

A formal ceremony was held May 17. The program began with quotes from four famous Presidents, George Washing-

ton, Abraham Lincoln, Franklin D. Roosevelt, and John F. Kennedy. The curtain opened and David Ulitch gave an introductory speech. Marilyn Klinefelter spoke on the most important quality, which is leadership, using Washington as a true example. James Musick presented character as a required trait. Abraham Lincoln possessed this important quality. Jeri Johns told of Franklin Roosevelt and how he demonstrated service. Carole Radtke pointed out John F. Kennedy being an example of a scholar. He proved there is a place in our form of government for the scholar. Then the twenty-nine students who achieved full membership were announced. There were thirty-one members of the sophomore class who were elected to probationary membership and took the pledge. The junior and senior initiates were declared members of the society and were given pin emblems and certificates. These students make up our leaders of tomorrow.

THE LATIN CLUB, as organized by Miss Breese, is open to all students having at least one year of Latin. It is a member of the Junior Classical League of Illinois and The National Junior Classical League. This year about 130 members enrolled.

For the Homecoming parade John Beetz built an authentic Roman chariot. At the October meeting to initiate the freshmen, colored slides of Roman life were shown; refreshments were served by sophomore members. The December buffet supper was followed by a talk by Miss Evelyn Lamps and a program featuring the Saturnalia.

Jim Morris, Don Knuckey, and John Munson represented MHS in State Latin contests. Jim received superior ratings at both District and Sectional and went to State in May. Don received Superior District and Excellent Sectional ratings. John won an Excellent District award.

The annual Roman Banquet in late April was followed by an open house for all faculty and parents. Exhibits followed the theme for Latin week: "Latin and the Vocations".

Nearly one hundred members attended Chicago Latin Day at the Planetarium and Natural History Museum in May. This is a memorable occasion each year.

LE CERCLE FRANCAIS, under the sponsorship of Mrs. Bender, is organized to develop interest in further study of the literature and culture of France. There are one hundred members this year consisting of French I and II students and former members. Officers elected in September are: Barbara Carlson, president; Fred Davis, vice-president, and Kathy Goebel, secretary-treasurer.

The programs, which were presented after school, included one act plays, charades, discussion of holiday customs, French songs, and colorful slides of France.

GIRLS' ATHLETIC ASSOCIATION, whose purpose is to stimulate interest in athletics, has many sports in which the girls can participate. This year there were five intramural sports: hockey, speedball, volleyball, basketball and softball. There were also bowling, tumbling, badminton and dancing.

The year began with the annual picnic held at Lake Mendota. The activities and rules were explained to all new members. Informal initiation, or "stunt night" was held on February 10. It was interesting and also embarrassing.

The Heart Sister Banquet is the most beautiful event of the year. All who had the required twenty-four points attended. It was held at the Methodist Church on February 24. All new members were initiated with the impressive candlelight ceremony.

The GAA social year was concluded with the Parent Tea, held in May. All who had the required "nights out" received an award.

THE CHEERLEADERS, who were under the direction of Mrs. Gehler the first part of the year, and Mrs. Doenier the last half, have done a fine job. They kept the spirits of the student body alive in a somewhat difficult year. The freshman cheerleaders practiced hard and cheered at all the home games of the freshmen and junior varsity. The senior cheerleaders have a class at the end of the year to help all new cheerleaders and the ones that have been cheering. After these classes each one has a try-out before the student body.

The varsity cheerleaders took a trip to Illinois State University at Normal, in the fall for a cheering clinic.

**WHITE COLLAR CLUB  
OFFICERS**

BACK ROW: S. Masear, Secretary; C. Kreiser, Treasurer; Mrs. Gehler, Adviser. FRONT ROW: N. Barrett, President; S. Kettleborough, Historian; L. Bunton, Vice President.

WHITE COLLAR CLUB is an organization that was introduced to MHS by Mrs. Gehler in 1959. It is for the benefit and enjoyment of students who are interested in a business career. The requirement for membership in the club is a minimum of one year of a business course.

This year has been a busy one for the officers and members of the club. The first thing on the agenda was a trip to Moser's Secretarial School and the Patricia Stevens Finishing School, both in Chicago. Next the members of the club selected a needy family as a Christmas project and each donated food, clothing or toys. This proved as a truly rewarding project. Because of decreasing funds the members decided to hold a bake sale, which went quite well. They also sponsored two dances, one featuring the Hi-Lighters, a live band from LaSalle. For their February project they made a trip to the new and modern Illinois Agricultural Building and the Brach Candy Company in Bloomington. The members also received a chance to gather information on the Rockford School of Business when two representatives were scheduled to speak at the March meeting. In the April meeting new officers were elected and there was also a party given for Mrs. Gehler, who will leave the halls of MHS this year. And as the close of the year came the WCC held the annual banquet and there distributed the Awards. One must remember always the hard work of this years officers: Nancy Barrett, President; Linda Bunton, Vice-president; Sue Masear, Secretary; Connie Kreiser, Treasurer; and Sandy Kettleborough, Historian.

## DO CLUB *gives boys on-the-job training.*

DIVERSIFIED OCCUPATIONS in its sixteenth year at MHS gives boys on-the-job training. They all work at local places. The boys have an advantage, as they work a half a day, morning or afternoon, and attend school a half day. This gives them two credits towards their graduation, and also a trade to learn. At the end of the year the club has their annual D.O. and employer-employee dinner. It was held this year on April 29.

Since Diversified Occupations is run like a club, they must have officers. This year their officers were: President; Ron Truckenbrod, Vice President; Tony Dayton, Secretary-Treasurer; Ron Carr.

# FUTURE FARMERS

## *A social environment*

THE PURPOSE of the typical MHS organization or club is to create a social environment for people with the same interests. Our chapter of the Future Farmers of America serves a dual purpose. It creates a social environment for people interested in agriculture, but it also gives these people practical vocational training in the field.

It is one of the least publicized, yet one of the most active organizations at MHS. Unlike most other clubs it competes in chapter, state, and national contests. Twenty-three new members entered the activities this year. It is open to all male students enrolled in agricultural classes and having a project approved by Mr. Morris, the agriculture instructor and chapter adviser. The members meet with their adviser the first Tuesday of every month to plan their activities. The officers are elected at the end of each school year to take office the following. This year the officers elected were: President, Wilbur Stamberger; Vice President, Larry Henkel,

Secretary, Phil Corcoran; Treasurer, Dale Sondgeroth; Reporter, Duane Sommerville; and Sentinel, Ken Doran

To give an idea of their activities, here are a few that took place this year: September 25, Leadership Training School at Leland; October 9-11, National F.F.A. Convention; November 19, Sectional Seven Grain Show at La Salle; December 5, Parent and Son Banquet; March 19, Combined Section Six and Seven Public and Extemporaneous Speaking Contest at Shabbona; May 7, Section Seven Livestock Judging Contest at Serena; June 9-11, State F.F.A. Fair at Ottawa. These are only a few; there are many other planned events.

The club's motto sums up the purpose and ideals of the organization: "Learning to do; Doing to learn; Earning to live; Living to serve."

This year under the capable guidance of Mrs. Snuffin the group was able to have many guest speakers. Elected by the group to serve as officers were: Mary Vincent, President; Maureen Harmon, Vice-President; and Dee Ann Frey, Secretary-Treasurer. The main projects of the year are: helping as student teachers to the various schools, and passing out apples to the teachers during National Education Week.

**THE FUTURE NURSES OF AMERICA** is a club in which girls can explore the opportunities and requirements for nursing and can share their interest in nursing as a possible career. The members helped again with the tuberculosis testing program, visited Swedish American hospital, and gave a New Year's Tea for their mothers. A film on mouth rescue breathing was shown for the program at this tea. Anne Possley served as President, Mary Beth Hein as Vice-President, and Sandie Baile as Secretary.

**ART CLUB** — IS AN ORGANIZATION comprised of members of the various art classes and any one else who wishes to participate. During the course of the year various activities are engaged in. The club started the year by sponsoring a float "Trojan Art of Victory" in the Homecoming Parade. As the year went along they sponsored a hayride in the fall and a Record Hop after the basketball game on January 31, 1964. This year the club was honored by winning several gold medals at the Regional Scholastic Art Award held in Ottawa. Awards were received by Su Slick, Milton Olson, Mary Lou Klinefelter, and Dick Bird. Many students also attended and submitted work at the High School Art Exhibit held at Northern Illinois University on March 14, 1964.

Towards the end of the school year the group bought prints of famous paintings and presented them to the school. Among the famous artists were Renoir, Van Gogh, Seurat, and Picasso.

**THE PAGES** — THIS ORGANIZATION is made up of Librarians who have a love of books, have maintained a "C" average, and have a desire to help others. This year the officers under Mrs. Doenier, the Adviser, were: Mary Beth Hein, President; Cathy Phalen, Vice-President; and Joe Loebach, Secretary-Treasurer.

The group's social life consists of two main events: the annual Christmas Party and the Spring Tea for the Faculty. This year's Pages had Rune Gustavsen for their guest speaker at the Christmas Party. Rune, who is our AFS student, gave a very interesting speech about his native country's Christmas Customs.

THE FHA CLUB consists of girls who have had at least one semester of Home Economics. In order to stay eligible to remain in FHA the girls have to take a local initiation test and earn a total of fifteen points during the year by attending meetings and working on special committees. This year the chapter mothers are Mrs. Weyagand and Mrs. Black, advisers are Mrs. Fischer and Mrs. Lipke.

One of the first projects of the year was their annual picnic which gives the older girls a chance to get acquainted with the newly joined members. This year the picnic was rained out, and it had to be held in the Home Economics room. The girls worked hard on their float for the Homecoming parade, choosing the theme "We're Cooking Up a Victory."

Around Christmas time the girls had fun participating in Santa Claus Week. All the girls drew somebody's name for their Santa Claus Sister. Then they wrote notes to each other giving clues to their identity. After a week this excitement was ended by a party where the girls exchanged gifts and revealed who they were. The club also entered the Christ

mas season on a serious note. The members brought canned food to give to some of the needy families in town. The initiation mother and daughter tea was held in January. At this meeting Rune Gustavsen, our foreign exchange student, told the girls about Norway.

In February Daddy-Date-Night was a fun-filled evening. Each of the girls brought her father to the meeting. Recreation was the high light of the evening, and guests could play either badminton or basketball. A lunch then was served for all.

At one meeting the girls were shown films on mental illnesses. After the film, Mrs. Rollins discussed the different signs of mental illness that the girls could watch out for in our community. The April meeting proved to be of interest to all the girls. Mrs. Roth gave a talk on hair styling and cosmetics. At this meeting officers for the following year were elected. For their last meeting the new officers were installed, and the members also had a style show displaying the outfits that they had made as students in Home Economics classes.

## SENIOR CLASS PLAY — "I Remember Mama."

THE SENIOR CLASS PLAY, "I Remember Mama," adapted from Kathryn Forbe's book "Mama's Bank Account," scored a huge success with its sincere, sensitive re-enactment of the life of a Norwegian family in San Francisco in 1910. "I Remember Mama" is the story of how Mama guided her family through the gradual process of Americanization. Mama (Cathy Harris) appeared as a warm, tender, witty, and completely irresistible person.

Although rehearsals are sometimes hurried and frantic and the pressure on the cast is extreme, participation in a class play always leaves cherished memories with the members of the cast. Every play has highlights and blunders that go unnoticed by the audience. For instance, Barb Landers (Trina) will never forget when she failed to retrieve her feather boa from the stage. (It proved essential for the next scene.) Nor will Norman Porter and Jack Flaherty ever forget how they

sat in partial darkness during their scene because the lighting crew "goofed". Diane Mathesius (Jenny) will always remember the embarrassment of stepping on the hem of her dress as she climbed the steps to the stage. Everyone will remember the untimely falling apart of the old stove as Cathy Harris (Mama) went to use it. Rune Gustavsen (Papa) with his quick wit and calmness came to the rescue of several cast members when they forgot their line, or as in one case, skipped an entire scene. (The audience who viewed the play on the first night never did find out if the cat recovered!) All members of the "family" and every member of the cast, no matter how small his part, gave such excellent performances that each individual should be mentioned with praise.

Check up another successful play in Mr. Warren's long list of outstanding productions at MHS!

## JUNIOR CLASS PLAY *"The Mouse that Roared"*

The Juniors transported their audiences to the tiny Duchy of Grand Fenwick as they presented "The Mouse That Roared" as their class play on April 9 and 10.

A complicated production, the play had a cast of 37 and a variety of scenes varying from the palace at Grand Fenwick to a TV studio in New York. Although it was a comedy, the junior play featured several very difficult adult roles. Many

minor characters also found that their parts involved difficult characterization. The cast members proved to be equal to the task, however, both in major and supporting roles. A favorite group of minor characters was the squad of Fenwickian bowmen led by Bill Politsch. This group earned plaudits as they invaded New York on their mission for the Duchess Gloriana, who was magnificently played by Jean Jacob. Direction was by Mr. Steve Warren.

**RESOLVED:** That Social Security benefits should be extended to include complete medical care.

The above resolution was the topic for debate in the 1963-64 season. This year the debate class and the debate team were closely associated, as all class members participated in some form of contest.

The squad traveled some far distances this year, necessitating very early rising. Distances ranged from as far south as Bradley University at Peoria to Sterling High School away up north.

Leslie Koeper, Gene Rickard (a promising freshman), Phil Carlson, Doug Carnahan, and Dick Setchell made up the Varsity team. Trading spots on the novice team were: Richard Radtke, Martha Jones, Clayton Deane, Geraldine Robinson, Bruce Dinges, Billy Erbes, and Candy Faber.

Team coach and class instructor, Mr. Schroeder, did an excellent job in preparing the beginners in the ways of debate. All are looking forward to a very promising year next year, with a number of experienced debaters returning to the team.

To the members of the varsity squad the year has indeed been both enjoyable and interesting. They learned to "think on their feet" and gained much confidence and poise, thanks to the coaching and advice of Mr. Schroeder.

## CONTEST PLAY and SPEECH EVENTS.

"I REMEMBER MAMA," was selected this year as the Contest Play. In a shortened form from the senior class play, it portrayed a warm family life. The play was directed by Mr. Warren, and he was assisted by Carol Foster, who served as student director. The cast was comprised of Mama—Cathy Harris; Papa—Rune Gustavson; Katrin—Carole Radtke; Christine—Barb Carlson; Dagmar—Su Slick; Nels—Fred Davis; and Elizabeth the Cat.

The first presentation of the play was at Dixon in a Conference meet, and there the group received a first place rating. The group then traveled to Ottawa to compete in the Regional meet and there placed fourth. At Dixon both Cathy and Rune were placed on the All-star cast.

DURING THE year, there are numerous speech events in which students may participate. This year only four students went into the individual speech events. They had various topics ranging from radio speaking to dramatic readings. Mr. Schroeder, the speech instructor, helped the students, through his advising the individuals participating in the events.

THE MENDOTA HIGH SCHOOL Concert Band, under the direction of Mr. Baile, had a satisfying and busy year. Starting with their usual four football halftime marching shows and progressing through a series of fine concerts and parades, the band was always working towards its summer tour to the New York World's Fair. The marching season was high-lighted by the Homecoming show, which demonstrated the steps in the development of a band student. Featured in the show were the Beginning, Cadet, and Concert bands from the grade school; the climax was the entrance of the High School band, which marched onto the field playing "Seventy-six Trombones."

The band had a successful concert season. As always, the Symphony Concert was among the popular. Mrs. Bergagna was again guest soloist; she did a beautiful job with the solos from Wagner's "Tristan and Isolde," and Verdi's "The Force of Destiny."

The goal of all the year's preparation was the trip to New York. The band members and their parents put a lot of hard work into their money-making projects. The sale of candy bars, the serving of a dinner, the sponsoring of a movie, and several other projects helped to supply the money for the June tour and concert at the World's Fair.

## VOCAL MUSIC

THE CHOIR AND CHORUSES under the direction of Mr. Rebuck had a very busy and rewarding year. The high points of the year were the annual operetta put on by the choir and the Fine Arts Concert. The former was entitled "Check Your Worries" and proved to be a huge success. The latter was an oratorio, "The Redeemer" by Martin Shaw, sung by the Choir.

Other activities in which the Choir and choruses participated included a football half-time show, the N.C.I.C. Festival, the State Music Contest, the Spring Concert, and assemblies for the student body. For the first time the Choral Department took a field trip to Chicago. This trip included seeing the stage production of the Broadway musicale "How to Succeed in Business Without Really Trying."

THE CHORUS Department under the direction of Mr. Rebuck, consists of many groups other than the largest, Choir. The other various groups are: Girls' Chorus, Mixed Chorus, and both the Boys' and Girls' PE Choruses. The PE Choruses are made up of students who take their PE studyhalls and go to the chorus room to sing and rehearse for their next concert. The Mixed and Girls' choruses have much more time to practice for they meet more regularly.

These groups throughout the year perform in many of the student assemblies, Christmas and Easter Concerts, and various activities that are given.

# VARSITY FOOTBALL *built men who could face*

THIS YEAR dreams of football glory were crushed. Although the team lost all of the games they played, these young men showed many qualities which are indispensable in the game of life. The Atodnem Sports Staff this year would like to use the ideas expressed by the head varsity football coach, Ted Lewis, ideas which he gave to the student body at the football awards assembly. "As everyone knows," Coach Lewis said, "it is a lot easier to win football games than it is to lose them. These young men came to practice every Monday with a heavy feeling of defeat in their hearts. It takes a person with strong character to keep his spirit up as each of these young men did. And even the fact of defeat after defeat did not make the team give up in their striving for victory. These young men played as true sportsmen should. Even though they lost, they were good sports."

Coach also stated that the school spirit displayed throughout the season was something to be commended. At every game there was a very good following of the fans. This tremendous school spirit which the student displayed during the season was important in the quest for victory.

## SEASON'S RESUME

IN THE FIRST game of the season, the St. Bado Bruins talked 27 points to Mendota's 13. In the second quarter, Phil Wood snagged a pass from Chris Goebel to pull Mendota within 7 points at the half. Phil Wood scored again in the fourth quarter on a 30 yard pass from Don Baker throwing at the halfback slot.

The second game of the season saw the Trojans fall to the Ottawa Pirates. Although the score was 38 to 6, the Trojans showed evidence of better play. The only Trojan score was on a 64 yard pass from Chris Goebel to John Whitmore.

The first game of North Central Conference competition saw the Trojans fall to Geneseo. In the first half the defense was unable to stop the Maple Leaf's scoring threats. In the second half, however, the defense looked like a different unit as they held the Maple Leafs to 60 yards on the ground and 17 in the air. As the final gun sounded, the Trojans were down 29 to 2.

This year's homecoming game proved to be dismal. The fine Rochelle team ended up with 39 points to Mendota's 6. Although the offense couldn't get rolling, the defense was due credit as they forced five Rochelle fumbles and recovered four of them. Those who did a commendable defensive job were: Bill Politich, Don Fischer, Chris Goebel, Fred Wagner, Don Baker, and Rich Bohn.

VARSITY ENDS AND BACKS—BACK ROW: Coach Lewis, D. Baker, C. Goebel, D. Fischer, P. Wood, J. Whitmore, R. Wojek, P. Leuzinger, D. Cassidy, L. Moore, Coach Smith; MIDDLE ROW: D. Hrovat, J. Andrews, D. *defeat courageously.*

The next two games showed much improvement of the the Trojans. At Princeton the Trojan defense allowed only two touchdowns, the lowest score made by any Trojan opponent this year. The offense also showed considerable improvement as the Trojans gained 85 yards on the ground. Fred Wagner set up Mendota's only touchdown on a 14 yard gain from a fake punt. The touchdown play was a pass from Chris Goebel to Phil Wood. The week after, the Trojans played a very commendable game against Spring Valley. Although the score didn't show it, the game was very closely fought. Jim Andrews scored three touchdowns to lead the scoring attack. At the beginning of the fourth period the Trojans were down three points. But a 21 point fourth quarter for Hall proved disastrous to the Trojans attempt for victory.

The following week the Trojans met another team which had not won all year, Rock Falls. This was an eventful night as both teams were striving for their first victory. But the Trojans were on the short end of a 20 to 6 score. The only Trojan score came on a pass play from Chris Goebel to Don Fischer.

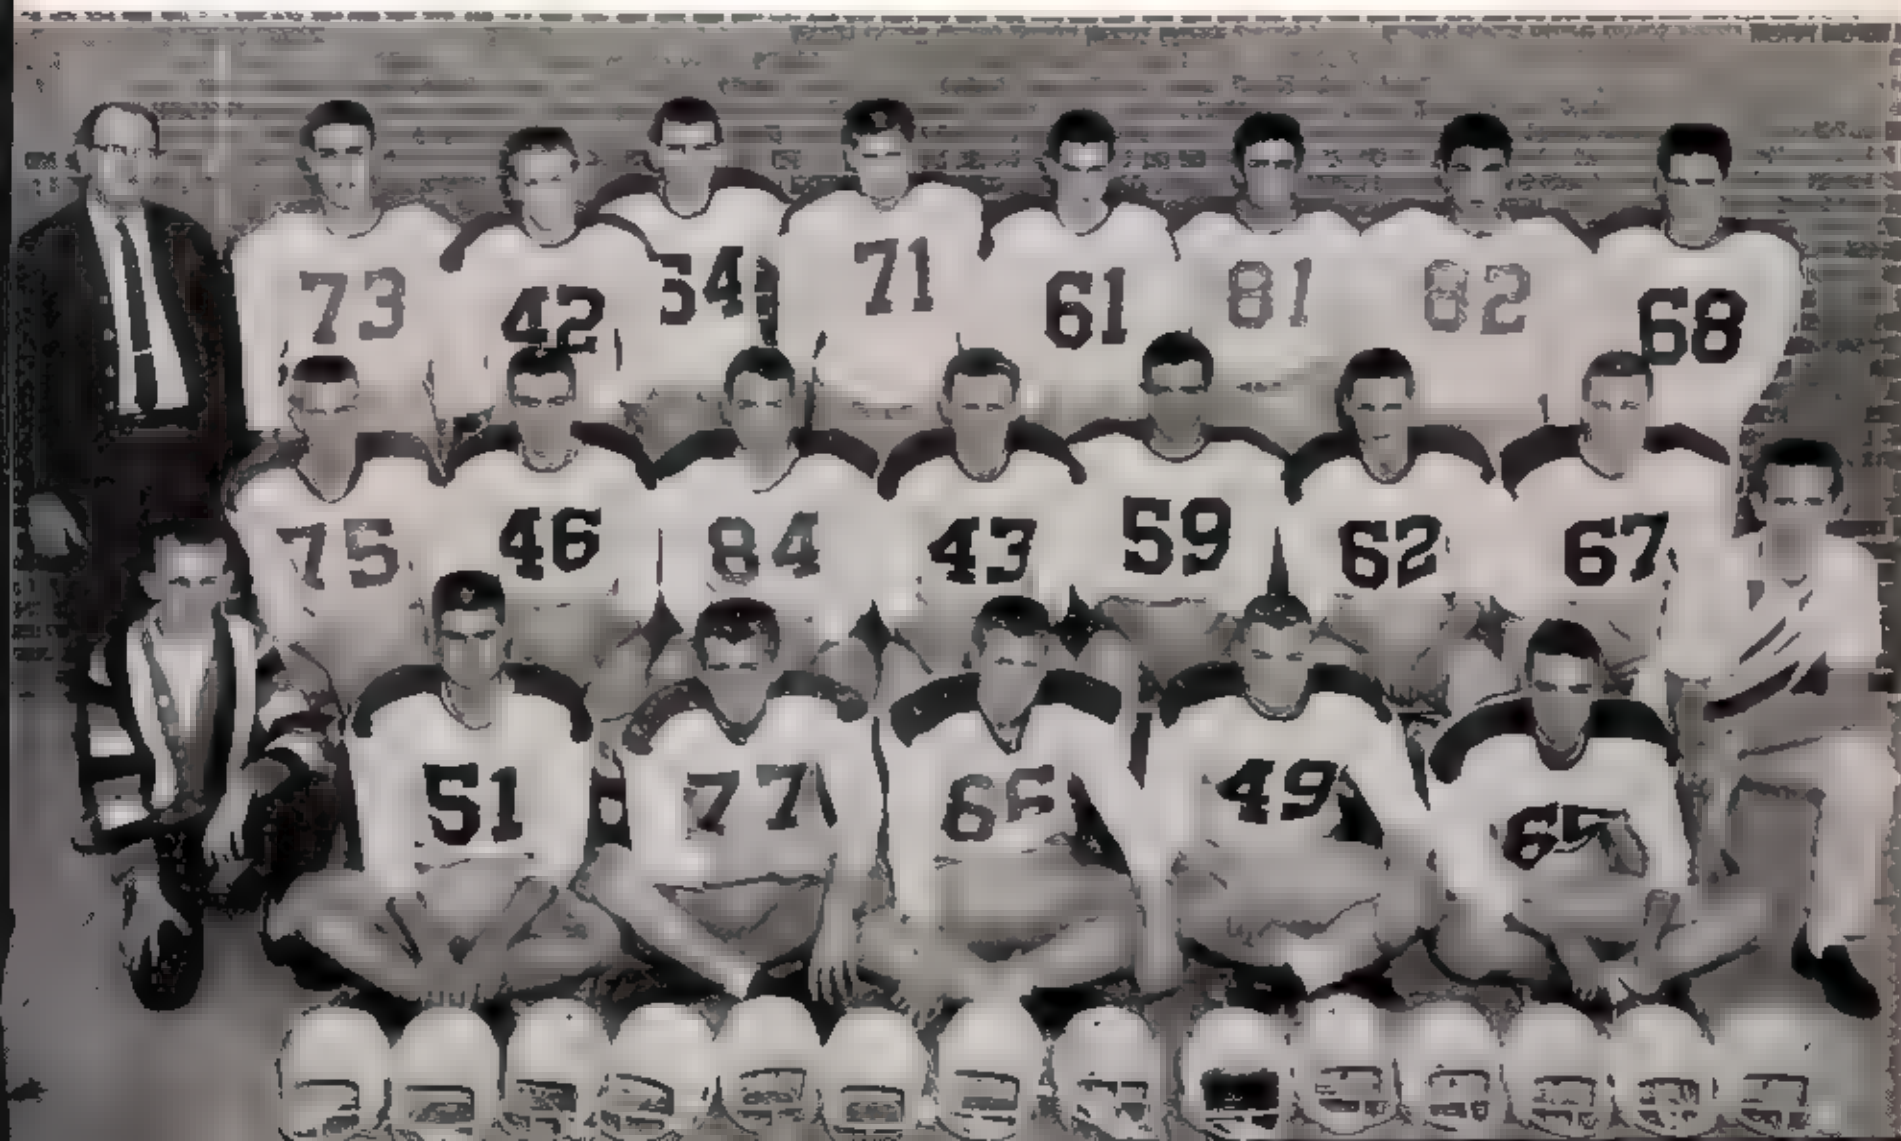

The Trojans put up a stiff fight in their final game of the season with Sterling. The final score was 34 to 12. Politsch ran up his count on tackles, as he had 8 and 5 assists. Don Baker, Chris Goebel and Don Fischer each had seven tackles.

#### CO-CAPTAINS

Tackle Rick Bohn (left) and quarterback Chris Goebel were chosen by their teammates to be the 1983 Trojan team co-captains. Even though it was a rough season, they proved that they were capable leaders by keeping the team's spirit high.

## FRESH-SOPH FOOTBALL

TWENTY-FIVE sophomores reported in for the 1963 season. This year the Jaytees had a new coach, Larry Martens. The boys came to practice with the idea that they would give Coach Martens a very successful first season here at MHS. Their spirits were dampened by their first loss at the hands of Saint Bede by a score of 19-6. Their second bid for victory was again stopped, this time by Ottawa by a score of 20-0. The Jaytees traveled to Geneseo with the hopes of their first victory. They were again set back, this time by the margin of a PAT, 7-6. With the approach of the Homecoming game with Rochelle, the Jaytees' spirits began to rise and they were determined to win this important game. They did win and gave Coach Martens his first victory at MHS, by a score of 7-0.

The Jaytees scored their second victory in the game with the Princeton Tigers, winning by a score of 13-12. At this point the Jaytees lost two of their starting linemen when Duane Yost and Ernie Jauch moved up to the Varsity. This movement weakened the forward wall considerably and

caused the Jaytees to lose the remaining three games by the scores of 34-0; 25-0; and 13-0; to Hall, Rock Falls, and Sterling respectively.

Even though the Jaytees ended up with a 2-6 record we are predicting great accomplishments for these boys next year as members of the varsity squad

THE 1963 TROJET TEAM, under the coaching of Gooden and Gorecki, ended their six game season with a 1-4-1 record. After they lost to St. Bede 20-13, and to Streator 12-0, they showed signs of improvement as they battled the Rochelle team to a scoreless tie. With this tie, they held hopes for coming victories, but lost the next game to Dixon 13-7, and then to Rock Falls by a score of 6-0. However, the team spirit was not yet dampened. With their last game of the season they came out on top of Princeton with a score of 20-0.

From a thirty-seven-man team, sixteen young men saw the greatest amount of action. They were: Jack Wagner, Dave Martin, Kevin Wagner, Jerry Aughenbaugh, Bill Zolper, Tom Marmion, Don Palmatier, Ken Arjes, Mike Jett, Joe Donahue, Gary Druen, Rick Bell, Ed Piller, Jim Strauss, Hurb Champlin, and Dave Underwood.

SAM MURDOCK, equipment manager, has one of the hardest and most tedious jobs that anyone could have. He is thanked for his diligent work and effort, for he is a very valuable asset to the sports division at Mendota High School.

## VARSIITY BASKETBALL *was led by Chris Goebel*

ALTHOUGH the 1964 Trojan Basketball record of 3-19 is not a very impressive one, judgment cannot and should not be made entirely on how many wins a team has during a season. Faced with the almost constant heartaches of defeat and dim prospects for the coming tilt, the team exhibited much courage during practices and all games. No matter what the score was, the team always gave their very best efforts. It is much more important that a team give full effort than that they win games to be victorious in life's game.

The Trojans opened up their home season with an easy victory over the Earlville Raiders by a score of 65-36. This was the first victory for the Trojan team against one loss the

week before to Amboy, 69-68. Phil Wood led the scoring with a total of 16 points, followed by John Whitmore with 14 points for the night. Joe Loebach contributed 19 rebounds of the Trojan's 44 for the game.

The following week, the Trojan's bid for victory in their first conference game against the Princeton Tigers was stopped when they were halted by a 64-52 score. The Trojan attack held up in the first half and for a while in the third quarter; but, as fate would have it, the Trojan strength began ebbing away toward the latter half of the game and the Tigers came out on top with a 12 point margin.

The MHS "Men of Troy" ran their way to their first con-

ference victory against the Hall Red Devils in their second home game by an impressive 90-84 score. The win was the 27th in a row for the Trojan's home record. The high scoring for the Trojan team was evenly distributed between four members who scored in double figures. Phil Wood led the scoring attack with 24 points while Chris Goebel and John Whitmore followed with 19 and 18 points respectively.

The long Mendota home winning streak was snapped by The Geneseo Maple Leafs in a heated contest that went down the final moments before the Leafs pulled ahead to a 71-66 victory. Although the Trojan quintet lost the game, it was one of the most exciting of the season.

*and Phil Wood, co-captains.*

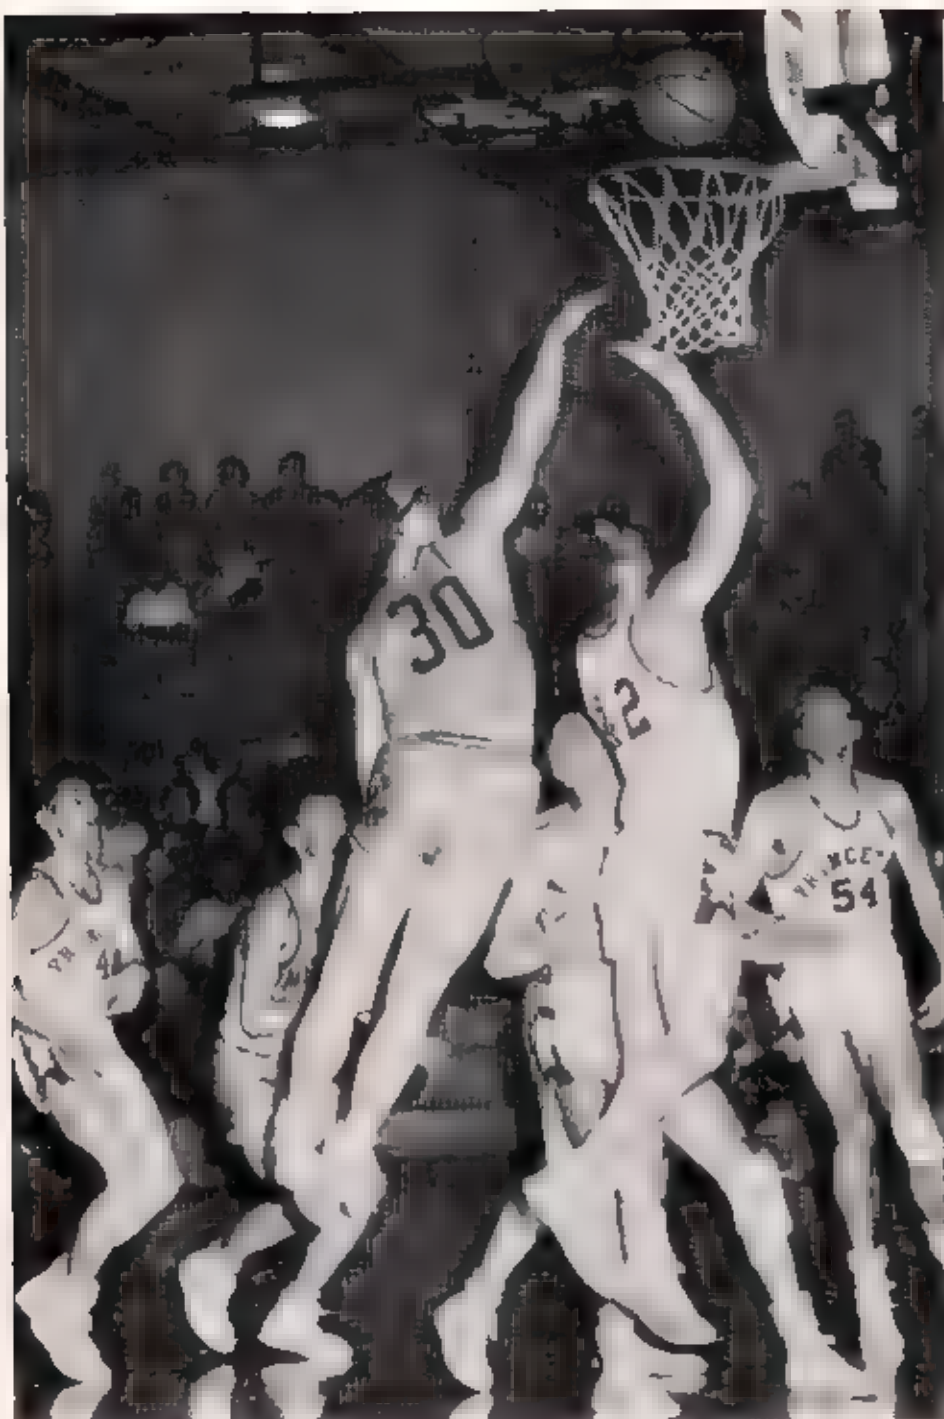

THIS year's Trojans were led by Co-Captain Phil Wood and Chris Goebel. Both showed qualities of leadership and good sportsmanship throughout the whole season.

JUNIOR-VARSITY BASKETBALL—BACK ROW: Coach Smith, P. Lauzinger, D. Cassidy, R. Tasted, L. Moore, D. Cassidy, G. Stell, E. Wujek, J. Keen. FRONT ROW: P. Powers, P. Carlson, J. Flaherty, J. Andrews, D. Neal, T. Dalton, Myr. T. Robeson.

CHRIS GOEBEL (30) Makes a valiant attempt to stop a Princeton Tiger from scoring. The Tigers won the tilt 64 to 52. Chris Goebel and John Whitmore both had 13 points to share high score honors.

## FROSH-SOPH BASKETBALL *prepares for varsity.*

THIS YEAR the Jaytees started their 63-64 season with a victory over Amboy by a score of 55-36. Bob Stevens led Mendota in scoring with a total of 18 points. The Earlville Raiders gave the Jaytees their first defeat by the score of 43-35. The Jaytees gained their second victory in the game with Princeton by the score of 57-48. Duane Yost led the scoring with 10 points. Hall evened up the Jaytees record at 2-2 with a win over the Jaytees by 8 points; 54-46. The Jaytees were then defeated by St. Bede by the score of 70-39. The Jaytees evened their record with a victory over Dixon by a 53-49 score. Geneseo then defeated the Jaytees by a score of 60-53. Ken Leiser led the scoring with 16 points. The Jaytees were defeated for the second time by the St. Bede Bruins by a score of 54-45. Ottawa then handed the Jaytees their sixth defeat by a score of 76-40.

This was the first year Rockford Boylan played here in Mendota and the Jaytees defeated them by a score of 48-44. The Jaytees then lost the next two games to Rock Falls and Streator, by the scores of 61-35, 48-40 respectively. The Jaytees then went on to defeat Marquette by the score of 58-45. The Jaytees then lost their next two games to Rochelle and Amboy by scores of 51-39, 54-50 respectively. The Jaytees won their last game by defeating Sterling 72-60.

Although the Jaytees finished with a 7-10 record, they played hard in every game. Ken Leiser scored the most points and also took in the most rebounds. The Jaytee lettermen were: Ken Leiser, Dennis Hinkle, Bob Weber, Jim Chandler, Ernie Jauch, Joe Donahue, Jerry Northcutt, and Mike Kerns.

# FROSH BASKETBALL

THE MHS TROJET TEAM ended up with a 3-9 record. Under the coaching of Sam Snuffin and with help from Larry Martens, the freshmen gained in their development of fundamental basketball skills. But because of the lack of height (most teams averaged six inches taller than the Trojets), the team didn't win more games. Among the boys who saw the most action were Rick Bell, who was leading and most consistent scorer. Although one of the smaller members of the team, Kevin Wagner was the leading rebounder. Jim Reeder was the leading free throw scorer and probably the most improved of the players. Joe Donahue saw action with the frosh-soph team, participating in many of the games. With the physical growth of most of the boys they should develop into a strong Trojan team of the future.

DUANE YOST (44) sinking a shot for the Jaytees in the final minutes of the Hall game. The final score was 54-46 in favor of Hall. Other Jaytees pictured are No. 21, Steve Hansen; No. 20, Bob Stevens and No. 55, Ken Lerner.

FRESHMAN BASKETBALL—BACK ROW: Coach Martens, S. Shellill, T. Shirley, R. Smith, B. Strauss, E. Bell, D. Palmatier, Coach Snuffin; MIDDLE ROW: J. Wagner, C. Garrison, J. Reeder, S. Michel, J. Knuckey, M. Jett, D. Campbell; FRONT ROW: M. Politeck, N. Porter, A. Fancher, J. Strauss, J. Aughenbaugh, M. Guilfoyle, ABSENT: E. Wagner.

GOLF—BACK ROW: D. Withrow; C. Becker; W. Wheeler; C. Copper; F. Davis; E. Buxton; P. Carlson; Coach Gorecki; SECOND ROW: D. Gausman; G. Donohue; S. Fitzgerald; T. Dawes; S. Klein; D. Mann; FRONT ROW: E. Dinges; G. Striecher; J. Masick; B. Walker; D. Carnahan.

## GOLF *and* BASEBALL *gains popularity at MHS.*

GOLF entered its fifth year at MHS under the direction of a new coach. Mr. Gorecki "approached the green" with a large group of confident boys. This manifests a growing interest of this popular spring sport. With Craig Copper returning as a lone letterman, and other boys receiving experience in past years, the team can look forward hopefully to a fine season and winning record.

THIS YEAR'S baseball team looks forward to a successful year. With the loss of the diamond at Moose Field, the majority of the games will have to be played out of town until a new diamond is built. As we go to press, the team has won its first game 6 to 5 over Walnut. Bill Corrigan pitched the game, and Chris Goebel homered to drive in two runs. Others who should see a lot of action this year are: John Kostouros, Dennis Pohl, and Dave Whitmore.

BASEBALL—BACK ROW: Mgr. M. Brennan, P. Powers; C. Goebel; D. Pohl; B. Stevens; P. Wood; J. Whitmore; B. Burkart; D. Cassidy; D. Whitmore; B. Corrigan; Coach Beals; SECOND ROW: J. Veit; E. Duke; D. Hrovat; B. Hochstatter; M. Johnson; J. Kostouros; B. Politsch; J. Johnson; FIRST ROW: G. Fitzgerald; A. Guilfoyle; D. Heiman; B. Karsten; B. Worsley; J. Borelli; H. Chapman; T. Robeson; J. Larkin; J. Strauss; G. Jauch; J. Simpson; S. Michels; P. Beta.

**VARSITY TRACK**—BACK ROW: Coach Warren, Mgr. M. Marmion, C. Brakaw, E. Cardot, R. Fischer, J. Sams, E. Dancey, J. Archer, Mgr. J. Backot, Coach Gooden; THIRD ROW: D. Echelbarger, L. Moore, E. Wujek, C. Dowden, D. Key, J. Donahue, L. Zimmerman, J. Keen; SECOND ROW: P. Marmion, J. Wade, F. Wagner, E. Becker, D. Baker, L. Gordon; FRONT ROW: K. McLoughlin, J. Andrews, E. Higgins, G. Merriman.

## TRACK *hopes for many new records.*

THIS YEAR'S TRACK squad is larger than any track squad that Mendota has had for a number of years. Head Coach Don Gooden, with assistant coaches Steve Warren and Dave Jordal are working hard for a successful track season.

Leading the Trojan "Thinclads" will be returning varsity members Don Baker, Steve Dancey, Rich Becker, Jerry Donahue, Fred Wagner, and Rich Wujek. Roger Cardot,

Calvin Brakaw, and Dale Keyt should also be valuable assets to this year's squad.

The Varsity Track records listed in the 1961 Almanac have but one change. The previous record of 12'3" in the pole vault was broken and set at 12'3 3/4" by Don Baker. Rich Wujek broke his own record of 4:59 to a 4:46 timing for the mile in Frosh-Soph competition.

**FROSH-SOPH TRACK**—BACK ROW: Coach Warren, D. Palmater, E. Wagner, E. Arges, E. Moss (dropped), J. Chandler, D. Underwood, J. Aughenbaugh, R. Bell, J. Sendgeroth; THIRD ROW: D. Hinkle, W. Red, D. Martin, M. Jell, J. Donahue, R. Weber, K. Leiser, H. Zolper, E. Buettner; SECOND ROW: C. Garrison, E. Pillar, A. Edgcomb, G. Druen, B. Jackson, D. Shaver, A. Warnock, G. McCully; FRONT ROW: D. Knucky, G. Politach, B. Strouas, G. Johnson, D. Aughenbaugh.

Like I tell you I'll see me in the series

You'll probably owe me \$9.00 after the

got us Mack Jones you'll probably be  
up at the bath with the scholars yourself  
after you and Miller flunk out of Northern.  
Maybe you'll be back in the mug
